YOUR PROJECT LIFESTYLE CHECK

Framing Sub Contractors, Inc. would like you to use this document to aid you in your project thought process and to help make sure that we are all on the same level. We want you to be assured that you can speak openly about any detail of this document. We will generally ask you during our consultation visit if you have completed the exercise. If you haven't, don't worry, we'll do it as we go through the consultation meeting.

The purpose of this exercise is to help us make sure that the project will be suitable for everyone that will be affected. Additionally, this will attempt to guide us and you in the event your answers fall outside the scope of any of the previously completed exercises. If this is the only exercise you completed, don't worry. All of us will be on-board with your project, your design, your dream and our creation.

Please begin this exercise by thinking about your lifestyle and how this project will alter it and your family or co-workers, ensuring the project can serve everyone's needs.
